CME on **GLAUCOMA MANAGEMENT: SIMPLIFIED**

Date: 28th October 2018

Time: 9.00 am to 2.00 pm

VENUE

*Library Auditorium
3rd Floor, Bapuji Hospital, OPD Block
JJMMC, Davangere*

Dear Sir/ Madam,

Greetings from the Department of Ophthalmology!

Glaucoma continues to pose challenges both in its early diagnosis and effective management. The irreversible blindness caused by glaucoma is a matter of concern as the number of people affected by it continues to increase worldwide.

As more and more Ophthalmologists encounter glaucoma patients, it is very important to know how to manage patients in whom a diagnosis of glaucoma has been made.

The goal of this CME is to provide useful guidelines and tips for glaucoma management by a team of eminent faculty members.

We take great pleasure in inviting you to this enriching CME programme.

Guest Faculty:

- **Dr. Jnaneshwar Prasanna**
Glaucoma Consultant, Globe Eye Foundation, Hoskote.
- **Dr. Kamala S.**
Glaucoma Consultant, Sankara Eye Hospital, Shimoga.
- **Dr. Sirish Nelivigi**
Nelivigi Eye Hospital & Surgical Centre, Bellandur.
- **Dr. Shilpa N.**
Aastha Super Speciality Eye Hospital, Bengaluru.
- **Dr. Swati R.**
Glaucoma Consultant, Mysore Medical College, Mysore.
- **Dr. Vasudev T.**
Glaucoma Consultant, Globe Eye Foundation, Hoskote.
